OFFICE OF THE MUZRAI COMMISSIONER,
IN MYSORE,

Dated, Bangalore, 10th April 193 4

FROM

N. MADHAVA RAO, ESQ., B.A., B.L.,
Muzrai Commissioner in Mysore.

To

S. Shamanna, Esq., B.A.,
Secretary to the Government of His Highness the Maharaja of Mysore,
Financial *Department.*

SIR,

In forwarding herewith the vernacular records relating to th alienation of portion of S.No.1 belonging to the Sri Thirumaladeva temple at Sankalgere village, Channapatna Taluk, received with the Bangalore Deputy Commissioner's letter No.C3-2435/33-34 dated 6-3-34 (copy enclosed), I have the honor to state as follows:-

2. The temple in question is a Muzrai institution endowed with dry S.No.1 and two other wet lands in the village. So far back as 1892 some houses were built on a portion of S.No.1 belonging to the temple under a permit received from the then Sub Division Officer. These tenants were paying ground rent to the temple. It is seen from a copy of the mutchalika (enclosed with records) produced by the archak that the occupants were paying a ground rent of Rs 1-8-0 each for the expenses of the temple. It is reported that six houses have been built on the S.No.

3. The Sub Division Officer reports that the parties are not paying the rent to the archak regularly and that by this default the purpose of the inam is being frustrated. He considers that the existing tenancy is inconvenient in all respects and recommends that the inam tenure of the area occupied by the houses may be ordered to be cancelled and the lands confirmed to the parties on recovering from them capitalised value at 5% which amounts to Rs.30/- for each house site together with 25 years' assessment. The parties have agreed to

Letter No.CB-2455/33-34 dated 6-3-34 from [illegible] to the Deputy Commissioner, Bangalore District, to the Mysore Commissioner in Mysore.

In forwarding herewith the records relating to the alienation of portion of S.No.1 belonging to Sri Tirumaladevaru temple at Kanmalagere village, Channapatna Taluk, I have the honor to state that it is reported that six houses have been built on S.No.1 of the village and that these have been in the possession of the parties from a very long time. From the copy of the mutchalika produced by the archak it would appear that the parties were permitted several years ago to build on the land subject to the condition of paying a ground rent of R 1-8-0 each for the expenses of the temple.

2. The Sub Division Officer reports that the parties are not paying the rent to the archak regularly and that by this default the purpose of the inam is being frustrated. He considers that the lease on payment of rent is inconvenient in all respects and recommends that the inam tenure of the area occupied by the houses be cancelled and the lands may be confirmed to the parties on recovering from them capitalised value at 5% together with 25 years' assessment and an upset price of R 60/- for each house. The dimensions of the six sites are noted in the margin.

1) 12 x 12 equals 144 square yards.	
2) 13 x 12 " 156 "	
3) 12 x 12 " 144 "	
4) 13 x 9 " 117 "	
5) 12 x 11 " 132 "	
6) 16 x 15 plus 11 x 15 equals 405 sq. yards.	
Grand total 1098 sq. yards.	

3. I agree with the Sub Division Officer and recommend that his proposal may be approved. Of the six sites one is 405 sq. yards in extent more than double extent of the others. The upset price on this may therefore be levied at R 60/-.

The amount that may be realised will be deposited in the Savings Bank and the interest paid to the archak for the expenses of the temple.
